

DURALUX 7 MM FOR YOUR AREA RUGS

Features and benefits

- Area rug lasts longer and maintains its beauty
- Pile face protected from matting and damage
- Prevents area rug from moving and slipping
- Ensures a luxurious feel
- Ease of maintenance

Installation guidelines

- Measure the length and width of your area rug. Deduct 2 inches from each dimension. This will give you the desired size of the cushion
- Cut the cushion to size
- Install carpet cushion black side down
- Always follow carpet manufacturer's recommendations
- NB. Our products are not suitable for silk area rugs
